

Thanks to our unpredictable Colorado weather, we feel the need to define our current procedures for District delays and closures. The District tries to make a call regarding these changes as soon as possible so that families can make alternate arrangements for students. Closures and/or delays will be sent out using the Infinite Campus messenger system, posted to the District website, added to the school voicemail, and communicated with area media outlets. Families also have the ability to make a call to keep their students home due to weather impacts. We just ask that you contact your student's school to make them aware of this decision. Below please find the details regarding how the District will handle weather delays and closures. We thank you in advance for your flexibility and understanding as we make these calls for the safety of our students and staff.

Delayed Start

During Phases 2-4, a two-hour delay will be handled in the following manner:

- Elementary Students
 - Buses will run 2 hours later
 - Classes will begin 2 hours later
 - Lunch will be provided as normal
 - Regular dismissal times and procedures
- Middle School and High School Students
 - Students will shift to remote learning running at regular times
 - In-person teachers will report to the building 30 minutes prior to the start of remote classes
 - Phase 2 learners will have the option to attend in-person for remote classes but will need to provide their own transportation (No transportation provided by the District)
 - Lunch will be available for phase 2 learners as normal

Weather Closure

Moving forward, District weather closures will be handled in the following manner:

- Elementary Students
 - No classes
- Middle School and High School Students
 - All students will shift to remote learning/e-learning running at regular times
 - No staff or students will report to the building
