

**BOARD OF EDUCATION**

Board Work Session – July 22, 2021

**CALL WORK SESSION TO ORDER**

The work session was called to order by Board President Nancy Lecky at 6:03 p.m. with the following members present: Chris Austin, Amy Wolin, and Ms. Lecky.

**PREPARED FOR INTERVIEW**

Discussed procedures and assigned which board member would ask which question. Discussed that one of the applicants was unavailable for this interview due to a prior commitment and the inability access cell coverage or internet Wi-Fi.

**INTERVIEW APPLICANT FOR DIRECTOR VACANCY**

The Board of Education and Superintendent Dr. Mathew Neal interviewed a candidate for the Director District vacancy. After interview, discussion took place that while this candidate is an exceptional person, would not be the proper fit for the Board at this time.

**APPOINT BOARD DIRECTOR**

Given that the Board of Education decided the candidate interviewed was not the person to appoint to Director District C – Columbine Elementary Boundaries; and since this position statutorily needed to be filled within a 60-day period, Board President Nancy Lecky invoked her right per C.R.S. 22-31-129 (2) to appoint Misty Leafers to Director District C – Columbine Elementary Boundaries. Ms. Leafers was interviewed by the Board of Education for Director District B – At-Large, and is qualified for this appointment as she resides within the Columbine Elementary Boundaries. No action by the Board of Education legally required.

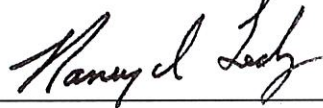

**ADJOURN WORK SESSION**

MOTION Austin, second Wolin, to adjourn the work session at 7:20 p.m. MOTION CARRIED; Voting Aye – Austin, Lecky, Wolin.

Attest:

Board of Education Secretary

Board of Education President
