Conditions

I understand and accept the following conditions if this application request is granted:

1. This approved Choice Enrollment Application will be valid for attendance at the requested school only for the duration of attendance at that school, **given that my child remains in good standing with the school.** Choice Enrollment Applications must be submitted for enrollment in different schools and/or levels. My Choice Enrollment for one level (e.g. elementary, middle or high) does not guarantee an approved Choice Enrollment at the next level. Before considering requests for admission of new non-residents, priority shall be given to resident students and returning non-resident students, upon approval.
2. Approval of this request is based upon the space available in the receiving school and the resources available to serve your child. The school will notify parents of their application status by May 1st or within one week of submission, whichever is later. **SUMMER EXCEPTION:** Any requests received after June 20th and before July 28th, will be notified by August 1st.
3. Transportation to and from school will be my responsibility. District transportation may not be provided or guaranteed.
4. Woodland Park School District Re-2 has the right to deny admission to any student that has been expelled from this or any other district in the last 12 months or has behaved in a manner that is detrimental to the welfare or safety of other pupils or of school personnel (C.R.S. 22-33-106 (3)(a-f); C.R.S. 22-36-101(3)(a-e)).
5. The district's decision as to whether to accept my child's enrollment is dependent upon my truthful response to all questions asked herein. Therefore, if my child is granted permission to enroll in the District, it shall be on a conditional basis; and in the event the District should subsequently determine that one or more answers provided were untruthful, with respect to denial reasons #2 and #4 above, the District in its sole discretion may revoke this conditional admission.

Woodland Park School District Re-2 does not unlawfully discriminate against otherwise qualified students, employees, applicants for employment, or members of the public on the basis of disability, race, creed, color, sex, sexual orientation, gender identity, gender expression, marital status, national origin, ancestry, or need for special education services. Any harassment/discrimination of students and/or staff, based on the aforementioned protected areas, will not be tolerated and must be brought to the immediate attention of the school principal or WPSD administration.

I hereby certify that I, the undersigned, am the parent or legally appointed guardian of the above-named student and that I understand and accept the conditions listed above.
