

In-Person Learners Meals Info:

We will also be offering weekend meals for in-person learners at all schools on Friday afternoons for students to take home with them.

High School, Grab-n-Go meals (2 Breakfasts and 2 Lunches), will be available in the commons for all students as they depart the building for the day. This began on Friday 10/2.

Middle School, Grab-n-Go meals (2 Breakfasts and 2 Lunches), will be available outside in two locations, by the buses and by the parent pick up area. This began on Friday 10/2.

Elementary Schools, Grab-n-Go meals will be delivered to classrooms prior to the dismissal time. We are requesting that parents fill out a meal request form, which will be sent home this week so we can plan for the correct amount of meals. We will only need this form from parents one time and we will continue to provide each student with the weekend meals requested until the end of December or parent cancellation. This will begin Friday 10/9.
