Student Growth Objective				
Students will meet or exceed trend line expectations for Reading goal defined within their IEP.				
Baseline Data (Please include what you know about your students' performance/skills/achievement levels at the beginning of the year, as well as any additional student data or background information used in setting your objective.)				
16 out of the 18 students under my caseload management have at least one reading goal outlined in their IEP, with a total of 25 reading goals altogether. All students with reading goals receive 30 minutes of additional reading instruction within my Intervention classes. Additionally, I consult with classroom teachers weekly on strategies to address deficiencies.				
Progress monitoring towards individual goals occurs a minimum of twice a month with results tracked within Enrich. To establish a trend line, baseline and target scores are entered on the annual IEP date. Progress toward these goals is graphed and compared to this trend line. Data for this SGO will be pulled at the end of the school with and reported out by student as to whether or not progress falls on/above the line or below.				
Scoring Plan - Objective Attainment Level Based on Percent and/or Number of Students Achieving Target				
Target	Exceptional (4)	Full (3)	Partial (2)	Insufficient (1)
Meet or exceed trend line expectations for Reading goals outlined within IEPs	Greater than 85% 22 or more goals on track	75-85% 19-21 goals on track	65-74% 16-18 goals on track	Less than 65% 15 or less goals on track
