

SGO Step 2: Determine Students' Starting Points
Identify and Approve Starting Points

Grade Level/Subject: _____

Teacher: _____

Student Groups (Ex: Above, At, Below Grade Level; 7 th , 8 th , 9 th Grade; Benchmark, Strategic, Intensive; General, RtI, IEP)	Number of Students	Evidence Collected	Notes

Possible Sources of Baseline Data

Current Year

- Results from beginning of course pre-assessment
- Results from first interim assessment
- Results from components of course work assigned in the first few weeks
- Intervention Plans

Prior Year

- Results from prior course tests that assess knowledge and skills that are pre-requisite to the current subject/grade (may be in different subject)
- Results from relevant standardized tests
