I. INTRODUCTION

This document contains a Request for Proposal for providing food service management services for Woodland Park School District Re-2 (WPSD) School Food Authorities’ (SFA) participation in the United States Department of Agriculture’s (USDA) Child Nutrition Programs (CNP) and sets forth the terms and conditions applicable to the proposed procurement. Upon acceptance, this document, the offeror’s proposal, and approved amendments or addendums to this document shall constitute the contract between the offeror and the School Food Authority.

The SFA has full responsibility for ensuring that the terms of the contract are fulfilled. SFAs must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of the contract. The Colorado Department of Education (CDE) is never a party to any contract between a SFA and a food service management company (FSMC). CDE has no involvement with the enforcement of this contract; however, payment can be denied for all meals received / purchased under an invalid contract.

The SFA alone must be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the SFA of any contractual responsibilities under its contracts. USDA will not substitute its judgment for that of the SFA unless the matter is primarily a Federal concern. Violations of law will be referred to the local, state, or Federal authority having proper jurisdiction.

II. REQUEST FOR PROPOSAL / INSTRUCTIONS

A. Legal Notice

Notice is hereby given that Woodland Park School District Re-2 (WPSD) School Food Authority, hereinafter referred to as the SFA, intends to examine alternatives to its present food service program, including self-preparation.

No intent should be construed from this legal notice that SFA intends to enter into a contract with any party for alternative food service unless, in the sole opinion of SFA, it is in SFA’s best interest to do so.

All costs involved in submitting a response to this Request for Proposal (RFP) shall be borne in full by the interested party.

SFA reserves the right to accept any proposal which it determines most favorable to the interest of SFA and to reject any or all proposals or any portion of any proposal submitted which, in SFA’s opinion, is not in the best interest of SFA.

The Offeror to this RFP will be referred to as the FSMC, and any contract that may arise from this Request for Proposal (RFP) will be between the FSMC and the SFA.
