APPLY NOW

WHAT IS IT?

Citizens Academy is a hands-on program offering residents ages 16 and up, greater insight into city services and local government in a fun, engaging environment.

City staff and elected officials will provide an in-depth look at how everyone works together to get various jobs done! Students will go on facility tours, perform mock activities, learn all about how different departments function, and have an opportunity to spend time face-to-face with department directors.

WHY JOIN?

Citizens Academy is a fun learning event for high school students that they can later include on college transcripts or add to job resumes as a professional growth opportunity in their home community.
