

## DAILY ANNOUNCEMENTS

December 15, 2023

### **Attention:**

#### **Teachers and Students**

**LOCK** your doors and windows when parking anywhere on campus. We have had a couple of reports that cars are getting into by an unlocked door or window, and cash money is what they are after. Do not leave anything of value to you in your cars while parked here on campus. It is always good practice to lock your doors and windows.

Thank you

Safety and Security
