

# TELLER COUNTY 4-H PROGRAM

Do you have a child or teen that hasn't found a connection with sports or other after school activities, but would love for them to learn those positive life skills, socialize with other youth, and learn how to work with adults to grow their talents and communities? 4-H may have a place for them.

### COMMUNITY INVOLVMENT

All 4-H leaders go through background checks, a screening process, and training on 4-H principles and core concepts. Leaders act as role models and impart the 4-H philosophy and youth development objectives to 4-H members. Check out what 4-H has to offer your children and family.
