FOR IMMEDIATE RELEASE

WPSD Expands Bus Transportation Services

Woodland Park, CO – 03/21/23 – Woodland Park School District (WPSD) is excited to announce that Merit Academy students may now enjoy the same district school bus transportation opportunity offered to all other WPSD schools. WPSD and Durham Bus Services have collaborated to expand bus services to all families within the District starting this fall for the 2023-2024 school year, including those attending Merit Academy. This means all families will be offered this service and will now have access to safe, reliable, and convenient transportation for their children. This expansion of bus services will not add any cost to the District.

We understand that transportation can be a significant challenge for many families, and we are committed to making it easier for our families to get their children to and from school. By providing bus services to all district families, we can improve attendance, reduce traffic congestion, and make the commute to and from school a more enjoyable experience for everyone.

We encourage families interested in bus transportation to monitor your emails and our website at wpsdk12.org for updates. We will be providing more details on how to register, as well as an updated 2023-2024 route schedule, as soon as possible.
