Woodland Park School District

WPSD Online Computer & Internet Voucher Policy 2023-24

Woodland Park School District Computer Check-Out and Internet Voucher:

- Each family in the online program will ensure their students have the necessary computers, printers/scanners and high speed internet to access the online curriculum.

- Each child may check out a WPSD Chromebook for the year to use while participating in the Online Program.
    - Each family will be responsible for the care of the Chromebook and must return the Chromebook at the end of the year (or earlier if exiting from the Online Program).
    - Families may access the WPSD Help Desk for Technology for assistance with the Chromebook.

- Each family of full time Online students (5 or more online classes) will receive a $150 voucher each semester to assist with the cost of high speed internet access. Vouchers will be paid in November and April to families of eligible students.

- Internet vouchers will be made available upon completion of all requirements listed below:
    - Completion of all district registration paperwork, including the Technology Agreement form
    - Completion of online paperwork, including Proof of Residency and Acknowledgment of Expectations
    - Courses finalized and ordered no later than September 20th
    - Meet the October Count requirements to be counted as a full time online student as outlined in the Online Student & Parent Handbook

I, _____, parent of _____,
formally request to participate in the Voucher program for WPSD full time online programming and acknowledge that payments is dependent on adhering to the outlined expectations listed above.
